MAXIMUM UNIT LOAD

Students are restricted to a maximum load of 18 units during the regular registration period for fall and spring semesters. The maximum number of units a student can carry during the summer session is 7 units. The limit is applied to provide all students an opportunity to register for a full program and be successful as students. When space remains in classes during the drop and add periods, the counseling department may approve additional units. Students, particularly first time college students, should avoid taking more than 18 units in one semester or 7 units during the summer.
