

# ADMINISTRATION OF JUSTICE - JUDICIAL ADMINISTRATION ASSOCIATE IN SCIENCE

San José City College offers both an Associate in Arts (AA), Associate in Science (AS) and certificates in Administration of Justice – Judicial Administration. Students planning to transfer should follow the Associate in Arts degree. The Judicial Administration option expands the existing Administration of Justice program focus beyond primarily law enforcement to include judicial branch careers. The program offers students educational opportunities which prepare them for entry into judicial branch careers. Additionally, the curriculum addresses the educational and professional development needs of the existing judicial branch workforce and prepares students for advancement in their careers working in the courts. The program goals address the increasing need for well-prepared applicants for court positions at all levels from entry to managerial.

Students considering transferring to the California State University system and are interested in continuing their studies in the following areas: Administration of Justice, Law Enforcement, Correctional Administration, Social Science, and Pre-Law should also review the major sheet for an Associate in Science in Administration of Justice for Transfer (AS-T).
