CERTIFICATES OF ACHIEVEMENT

San José City College offers Certificates of Achievement to prepare students for direct job entry. Many certificate programs can be completed in one year, while others are designed to be completed over a longer period of time. (Please consult with a counselor for more information.)

Certificate applicable coursework must be completed with a 'C' or better. Cumulative GPA will not be considered in satisfying eligibility requirements for the certificate. A "P" (Pass) grade (or "CR"/Credit) is also an acceptable grade for courses in the certificate.

The In Residence Requirement for Certificates mandates that students complete 6 units of the required certificate courses at SJCC.
