

THE CAREER/TRANSFER CENTER

Mission

The Career/Transfer Center (C/TC) is committed to supporting our students in achieving their educational life goals by promoting their career development and transfer to a 4-year institution. To achieve this, we provide quality and comprehensive resources, activities, and services that foster equity, life-long learning, and career/transfer success in a nurturing environment.

Choosing an academic major and a career goal are important decisions. Our experienced and friendly staff is available to help students explore occupations and career fields through extensive resources. Our goal is to inspire and empower individuals to achieve their full potential. To further benefit career development, the center offers many online career exploration tools.

In highlighting the transfer process, it is noted that many trajectories expand student options. Therefore it is never too early to begin planning for transfer to a four-year college or university. We highly encourage students to visit us as soon as they begin their studies at SJCC. Students who have completed a minimum of 30 transferable units should meet with a counselor to review their transfer eligibility and discuss a transfer plan as transfer requirements may vary from campus to campus. Generally students apply for transfer one year prior to transferring to the university.
