FINANCIAL AID

Mission

The purpose of Financial Aid is to help you meet your educational expenses (tuition and fees, books, supplies, room and board, etc.). To determine your eligibility, SJCC uses your Expected Family Contribution (computed by completing the FAFSA), your educational expenses (also known as your cost of attendance), and your enrollment status.

There are two types of financial aid: gift aid and self-help aid. Gift aid includes: grants, scholarships, and fee waivers. Generally, gift aid does not have to be repaid. Self-help aid includes: loans and work-study. Self-help aid must be earned or repaid.

Eligibility

Financial aid and scholarships are available to those who qualify. In order to qualify for Federal Aid students must:

• Submit a complete Free Application for Federal Student Aid (FAFSA)
• Demonstrate financial need as defined by Federal Regulations and calculated by the FAFSA
• Be a United States citizen or eligible non-citizen
• Have a valid Social Security Number
• Have earned a high school diploma, GED, or equivalent.
• Students who began their program of study before July 1, 2012 may qualify by passing the Ability to Benefit Test (ATB), or completed 6 units that are applicable towards their current degree or certificate of study.
• Register with Selective Service if applicable (males between the ages of 18-26)
• Enroll in an eligible degree or certificate program
• Maintain Satisfactory Academic Progress as defined by the college
• Not have defaulted on a prior Federal Student Loan or owe a refund on a Federal Student Grant

It is possible for the eligibility criteria to vary from one program to another. Criteria listed above outline eligibility criteria for Federal Student Aid. Eligibility criteria for other types of aid such as scholarships may vary. Visit the Financial Aid Office or the SJCC website for more information.

Applying for Federal Student Aid

To apply for federal aid, students must:

• Submit a Free Application for Federal Student Aid (FAFSA);
• Complete and submit online at www.fafsa.ed.gov (http://www.fafsa.ed.gov)
• Submit requested documents to the Financial Aid Office; students will receive an e-mail or letter requesting certain documents available on the SJCC website
• Academic transcripts may be required from all previously attended postsecondary institutions (even if the student did not receive any aid from the other institutions). Transcripts are evaluated and prior credits applied through the Admissions and Records and counseling offices.

When to Apply

A FAFSA is valid for one academic year. Students who wish to receive aid from one academic year to the next must renew their FAFSA each academic year. The FAFSA is valid from July 1 through June 30 each year. This means that the FAFSA will be in effect for Fall, Spring and Summer in that order – for example: the 2019-2020 FAFSA is valid from July 1, 2019 through June 30, 2020 for Summer 2019, Fall 2019, Spring 2020 and Summer 2020.

Students may submit a FAFSA beginning October 1 each year, which will take effect the following academic year – for example: starting October 1, 2019, students may submit the 2020-2021 FAFSA; for that year, students may submit that FAFSA as late as June 30, 2021.

Other types of aid have various deadlines and timelines for application and award. Please visit the Financial Aid Office or the SJCC website for more detailed information regarding timelines and deadlines.

How Financial Need Is Determined

For student aid, need is defined as the difference between the cost of attendance (COA) and your expected family contribution (EFC): COA – EFC = Need

Sample FAFSA Need Analysis

<thead>
<tr>
<th>Cost of Attendance</th>
<th>Expected Family Contribution</th>

</tr>
</thead>
<tbody>
<tr>
<td>$11,000.00</td>
<td>$2,000.00</td>
<td>$9,000.00</td>
</tr>
</tbody>
</table>

In order to qualify for Federal Aid, students must demonstrate financial need. In simple terms, the COA must be greater than the EFC

Expected Family Contribution (EFC)

Number calculated upon submitting the FAFSA; estimates the amount you and your family may be expected to contribute toward the COA based on income, assets and family size as well as other reported information.

Cost of Attendance

Cost of Attendance (COA) is a 9-month estimate of expenses that a student incurs. It includes the enrollment fees and an allowance for books, supplies, transportation, and living expenses. The 2018-2019 COA budgets are listed below reflecting standard expenses for a 9-month period.

The CaCPG helps students, who qualify, pay for enrollment fees. California residents who meet one of the following eligibility criteria may be eligible for the CaCPG:

- Per Title 5, section 58621, beginning Fall 2016, students shall lose their (CaCPG) BOGFW eligibility when placed on Academic or Progress Probation or any combination thereof for two consecutive primary semesters. The loss of (CaCPG) BOGFW eligibility shall remain in effect until the student is no longer on probation or the student has successfully appealed their loss of (CaCPG) BOGFW eligibility. *Foster Youth, as defined in Education Code 66025.9(b), shall not be subject to loss of BOG Fee Waiver under section 58621.

Students may appeal their loss of (CaCPG) BOGFW eligibility for the following reasons:

- Extenuating Circumstances: Verified cases of accidents, illnesses, or other circumstances beyond the student’s control.
- Students with disabilities who applied for, but didn’t receive accommodation in a timely manner.
- Significant academic improvement.
- Changes to their economic situation.
- Evidence student was unable to obtain essential support services.
- Special consideration of factors for EOPS, SAS, CALWORKS and Veteran students.
- The student or student’s family is receiving AFDC, SSI, or General Assistance.
- Dependents of deceased or disabled veterans who are eligible for benefits under the California Veterans Dependents.
- Educational Assistance Program and Dependents of deceased or disabled California National Guard members certified by the Adjutant General’s Office.
- The student’s household meets the following income standards:

Add $6,480 for each additional dependent.

- Students must demonstrate at least $1,104 of financial need as defined by the FAFSA

Effective Fall 2016, students shall lose their (CaCPG) BOGFW eligibility when placed on Academic or Progress Probation or any combination thereof for two consecutive primary semesters. The loss of (CaCPG) BOGFW eligibility shall remain in effect until the student is no longer on probation or the student has successfully appealed their loss of (CaCPG) BOGFW eligibility. *Foster Youth, as defined in Education Code 66025.9(b), shall not be subject to loss of (CaCPG) BOGFW under section 58621.

Students may appeal their loss of CaCPG Waiver eligibility for the following reasons:

- Significant academic improvement.
- Changes to their economic situation.
- Evidence student was unable to obtain essential support services.
• Special consideration of factors for EOPS, SAS, CALWORKS and Veteran students.

**Financial Aid Packaging Policy**

Once the student financial aid file is complete (FAFSA and other supporting documents completed, submitted and verified) the financial aid office will determine eligibility for all types of aid and the award amounts. The financial aid package includes all types of aid the student is eligible for and interested in. The student’s award information will be posted on their MyWeb account.

The award will include the types of aid and amounts the student is eligible for based on full-time attendance for the Academic Year. Packaging may consist of one or more of the following types of aid: Pell, FSEOG, FWS, and/or Loans. Students may choose which types of aid they wish to receive or not (i.e. loans, FWS). Award amounts may change based on less than full-time enrollment per semester.

All students submitting COMPLETE application packets by the June 30 priority deadline will be packaged in the order received, depending upon the student’s eligibility for each program and in some cases, availability of funds.

**Satisfactory Academic Progress**

The Satisfactory Academic Progress (SAP) Policy at SJCC complies with the Federal requirement of monitoring financial aid recipients’ progress toward eligible academic programs. SAP will be evaluated at the end of each term (Summer, Fall and Spring). This evaluation based on the enrollment status as of the end of the add/drop period of the term, reflecting students’ permanent academic record. The evaluation takes into account the complete academic record at the San José-Evergreen Community College District as well as any applicable units transferred from other institutions.

**SAP Guidelines**

In order to maintain SAP for financial aid purposes, students must:

1. Maintain at least a 2.0 cumulative grade point average (GPA) after attempting 30 or more units. Per Federal regulation, any classes with grades replaced by academic renewal must still be considered in the GPA evaluation.
2. Complete 67% of the units attempted overall.
   a. Classes with grades of A, B, C, D, CR, and P are considered completed units.
   b. Classes with grades of F, NC, NP, W, I and RD are considered units attempted and not completed.
   c. Students who receive “I” or “RD” grades must notify the Financial Aid Office when records have been updated.
3. Complete their program before attempting 150% of the program unit requirement (maximum time-frame).
   a. Students required to complete remedial level courses to meet their educational goals are allowed up to 30 units or two full-time semesters in addition to their program length.
   b. Students who require English as a Second Language (ESL) course work will have additional units in their maximum time frame.
   c. Course repeats are limited to the number of times specified in the College Catalog. Students may receive financial aid for a repeated course only once, regardless of the grade earned on the first attempt. Repeated courses are counted as part of the total number of attempted units.

Failure to meet the above requirements will result in a student being placed on denied status and unable to receive financial aid.

**Evaluation Policy**

1. All San Jose Evergreen Community College District and transferred coursework applicable to a student’s degree is included in the SAP evaluation.
2. The evaluation period shall start the first semester of enrollment and include classes from all terms regardless of financial aid eligibility status.
3. Aid applicants must declare an eligible academic program with A&R that:
   a. Leads to an Associate Degree (AA or AS), or
   b. Is at least a 2-year program, acceptable for transfer to a 4-year institution, or
   c. Is an approved certificate program that is at least 15 weeks long and requires a minimum of 16 semester units or 600 clock-hours
4. All financial aid applicants must have a current SAP evaluation on file:
   a. Academic progress standards must be evaluated as of the most recent term of enrollment, for returning students, and
   b. The most recent evaluation, for continuing students
   c. Transfer students must submit transcripts from all prior colleges attended to A&R

**Appeal for Financial Aid Reinstatement Process**

In accordance with federal regulations, financial aid recipients may appeal for financial aid reinstatement if they have been denied as a direct result of documented extenuating circumstances during the term(s) that SAP is not met.

Appeals for reinstatement of financial aid are reviewed by an individual from the Financial Aid staff, or a group of individuals from the Financial Aid staff and others with relevant information. Upon review the appeal will either be approved or denied based on academic history, educational plan, and completion of the appeal form with applicable documentation.

TO SUBMIT AN APPEAL YOU MUST:

- ATTEND A MANDATORY SAP WORKSHOP, EITHER IN-PERSON OR ONLINE, PRIOR TO SUBMITTING YOUR APPEAL AND ASSOCIATED DOCUMENTS, INCLUDING A CURRENT EDUCATIONAL PLAN, AND
- BE REGISTERED FOR CLASSES FOR THE CURRENT SEMESTER AND
- SUBMIT A COMPLETE, LEGIBLE APPEAL FORM BY THE STATED DEADLINE

**Appeal Instructions**

2. Submit the completed appeal form with a current Educational Plan
3. Provide written documentation and/or proof of extenuating circumstances. Examples of these types of documents include:
   - A signed, dated doctor statement specifying medical issues and affected dates
   - For circumstances such as car accidents, death in the family, required court appearances, etc., appropriate documentation must be submitted with the appeal
4. Examples of what is NOT considered extenuating circumstances include but are not limited to:
• Working too many hours
• Not ready for college work
• Transportation problems

*A current (dated no earlier than the previous semester) Educational Plan is required. The Educational Plan does not necessarily need to be a full-comprehensive plan. It must plan for enough units to reach satisfactory academic progress, assuming all classes are completed and passed.

Appeal Instructions for Exceeding Maximum Time-Frame (If Additional Time is Needed)
1. Submit the completed appeal form with a current version of at least one of the following:
   • Educational Plan*
   • Transfer Admission Agreement (TAA)
   • Petition for Graduation

Appeal Response
Students will be notified if the appeal is approved or denied. Most approvals will be for one semester only and during that semester the student will be considered on Probation Status. Students on Probation status will be expected to have an Educational Plan on file with their appeal and follow that plan. Any deviation from the plan may result in subsequent denial of financial aid.

Warning Status
Students who do not meet SAP for the first time may be placed on Warning for one semester/term. During the Warning term, students will receive aid. At the end of that term, the student will be expected to have re-established SAP. If not, the student may be denied and will need to appeal or re-establish SAP without receiving aid.

Re-Establishing Aid Eligibility
Students who do not appeal for reinstatement, or whose appeals are denied, can re-establish their financial aid eligibility after completing their overall completion rate to at least 67% and achieving a cumulative GPA of 2.0 or higher. It is the students' responsibility to notify the Financial Aid Office of the improved academic performance and request to be re-evaluated.

Grades and SAP: Academic Amnesty/Renewal
Some schools have academic amnesty/renewal procedures through which a student can apply to have credits attempted and grades earned in previous semesters excluded from the calculation of the student's GPA. The Federal Student Aid program regulations make no provision for the concept of academic amnesty or academic renewal. Therefore, a school must always include courses applicable to a student’s major (whenever taken) in evaluating a student’s satisfactory academic progress.

Financial Aid Regulatory Updates
As of July 1, 2012:

All Pell Grant recipients will be limited to 6-years (600%) regardless of when it was first received.

One semester of half-time Pell Grant = 25%;
One semester of full-time Pell Grant = 50%;
Two semesters of full-time Pell Grant = 100% . . .
Twelve semesters of full-time Pell Grant = 600%

• Students may repeat a course and receive financial aid for it only once after having earned the units for it previously. Earning units in a course includes grades of A, B, C, D, CR (credit) or P (pass). Grades of F, NC (no credit), NP (no pass), W or I do not count as earning units for a class.

• Students who are selected for verification will be required to submit a verification worksheet and IRS Tax transcripts (if a federal tax return is filed). Signed federal tax returns will no longer be accepted.

Financial Aid Consortium Agreement
As part of the same district, SJCC and EVC have the same COA, SAP policies, and procedures for awards and disbursements. The institution that awards a student is responsible for keeping records, monitoring SAP and disbursing funds. If a student is enrolled in an eligible program at either SJCC or EVC they may take courses at either campus, as long as the courses apply towards that eligible program. The institution that a student bases their program of study (degree or certificate) will calculate and pay their financial aid award. The institution that calculates and pays aid must take into account courses taken at both institutions in determining enrollment status and cost of education.
