PARKING PERMITS

Parking permits are valid at both campuses and may be purchased online through Self-Service via the SSO Portal on any computer (from home, work, school) when paying by credit card. You must use campus computers only (LRC, Registration Cove, Cyber Café) to order permits if you wish to pay with cash. After ordering online, and paying with cash, go to Admissions and Records for payment. The permits will be mailed to the address on file and a temporary permit will be issued to be displayed in the vehicle until the permanent permit arrives. For parking permit fees, please see listing under fees.

For those who opt for a decal when registering for parking, please have the permit placed on the left-hand bottom corner of the front windshield. Violation of parking rules can result in citations ranging from $37 to $300. Disabled person parking spaces and red zones are enforced at all times. Please read the posted signs and follow instructions printed on parking permits. Regulations are enforced in all lots beginning the first day of classes. Parking will not be enforced in Student Lots for two weeks at the beginning of every semester, the week before the first day of instruction and the first week of instruction.

Motorcycles must register for an electronic permit. Motorcycles may not park in regular vehicle stalls. If an auto permit is purchased and students desire to ride a motorcycle some days of the week, they may have the motorcycle permit at no charge, provided they show ownership for both vehicles. However, if students initially purchase a motorcycle permit for $15, they may purchase an auto permit for an additional $30 with proper documentation.

Purchase of a semester permit does not guarantee a parking space; it merely gives the student the convenience of not having to purchase a daily permit.
