

# READING (READ)

---

## **READ 010 Critical Reading 3 Units**

Students will examine, develop, and apply critical reading strategies to academic reading materials. Emphasis is on advocating critical thinking, reflective judgment, and problem solving skills that lead to the ability to reason inductively and deductively, and interpret and critically evaluate formal and informal fallacies. Students will critically apply reading strategies to reach well-supported factual or judgmental conclusions from multi-discipline and multi-cultural academic texts.
