

# ART HISTORY - ASSOCIATE IN ARTS FOR TRANSFER

The Associate in Art for Transfer (AA-T) in Art History degree provides students with a solid foundation in art history, in preparation for transfer to a four-year institution. Successful completion of the AA-T degree satisfies lower division requirements and guarantees admission to the California State University (CSU) system (though not to a particular campus or major). The AA-T degree in Art History is designed to prepare those students interested in majoring in Art History and Museum Studies. It is also designed to prepare students who are considering careers in Art Conservation, Curator, Museum Administration, Teacher, Art Librarian, Art Authenticator, and similar fields.

To be awarded the Associate in Arts for Art History for Transfer degree, students must:

(1) Complete 60 semester units or 90 quarter units which are eligible for transfer to the California State University (CSU) system, including both of the following:

(A) The California General Education Transfer Curriculum (Cal-GETC) Requirements.

(B) A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.

(2) Obtain a minimum grade point average of 2.0.

While a minimum of 2.0 is required for admission, some majors may require a higher GPA. Please consult with a counselor for more information.

Associate Degrees for Transfer (ADTs) also require that students must earn a "C" or better in all courses required for the major or area of emphasis. A "P" (Pass) grade is an acceptable grade for courses in the major if the course is taken on a "pass/no pass" basis.

Upon successful completion of this program, students will be able to:

- Identify the artists and stylistic movements of specific works of art and explain their significance within the art-historical periods
- Evaluate works of art within the art historical periods objectively and subjectively in order to interpret their purpose or meaning
- Analyze the historical and/or cultural conditions that influenced the production of art within the art historical periods
