

MANAGEMENT - CERTIFICATE OF ACHIEVEMENT LEVEL 2

The Business Department offers Associate in Science degrees and certificate programs in three major areas: Entrepreneurship, Management, and Marketing. The degree programs require a total of 60 units; of which, 24 units are selected from General Education areas and the remaining 36 units are selected from a business major concentration. Several levels of certificates are available in each of the three areas of concentration. The certificate programs can be completed without the requirements of General Education. A "C" grade or better is required in all degree and certificate major and major elective courses.

The business programs are designed for students who are planning to begin a business career, preparing to assume positions of responsibility, or planning to operate their own businesses.

This program is designed with consideration of the skills in management and supervision in today's ever-changing business environment. Students are introduced to a variety of subjects including fundamentals of management, marketing, advertising, human relations, leadership, and international business.
