

PEER LEADER TRAINING

About the Program

The Certificate of Specialization in Peer Leader Training focuses on professional growth for students wanting to develop their small-group leadership and facilitation skills. It also provides experience in adult education, educational support services and applying student success strategies. Additionally, the Certificate of Specialization in Peer Leader Training fulfills several of the most desired skills required by employers. This includes small-group facilitation, cultural competency, listening skills, and analyzing problems using evidence and sound reasoning. All courses in the certificate must be completed at San José City College.

A grade of "C" or better is required for each course in the major or area of emphasis. A "P" (Pass) grade is an acceptable grade for courses in the major or area of emphasis if the course is taken on a Pass/No Pass basis. Completed courses will appear on student's transcripts. However, the Certificate of Specialization will **only** appear on documents obtained directly from the department sponsoring Peer Leader Training.
