

ENRICHMENT ACTIVITIES

Art Gallery

The Art Gallery in the Carmen Castellano Fine Arts Center at San José City College offers a wide variety of exhibitions that are open to the public free of charge. Student works are featured during fall and spring semesters. During the remainder of the calendar year, works by professional artists, college alumni, and college distinguished faculty are featured. Show opening receptions allow members of the college community and the public to meet the artists. Frequently, visiting artists present informal lectures and presentations about their art.

Athletics

Intercollegiate competition is offered in a number of sports for men and women. Athletic sports include men's football and golf, women's softball and volleyball, men's and women's basketball, track and field, and cross-country. SJCC is a member of the Coast Conference, one of the most prestigious community college conferences in America, and has achieved a record of athletic excellence. There are full-time coaches in all sports; coaches take an active role in promoting both athletic and scholastic achievement. A field turf artificial football field and all-weather track are athletic facilities second to none. The fitness complex with modern weight and cardiovascular equipment provides classes and supports the athletics program.

KJCC is operated by San José City College students who are interested in broadcast performance and/or programming. The station provides training for students interested in hosting a radio program. Students enrolled in broadcasting courses receive hands-on experience in operating the radio console. KJCC airs various programs including, but not limited to, student-hosted music shows, sports commentary, and talk shows, as well as live coverage of Jaguars football, softball, and basketball games.
