

PRESIDENT'S MESSAGE

Welcome to San José City College (SJCC)! We offer an array of career education programs such as Accounting, Business, Construction Technology, and Dental Assisting.

As the oldest community college in Silicon Valley, we blend tradition with new technology to bring excellent student services and high-quality instruction to our diverse communities. This catalog outlines the degrees, certificates, programs, and services presented to students and the community.

The most important part of SJCC is you! You, our brilliant students, are the reason we continue to strive for academic excellence, institutional effectiveness, campus improvement, and building connections to the community.

San José City College's excellent faculty present a robust and comprehensive academic and cultural responsive curriculum.

We offer numerous degrees and certificates to meet your educational and career aspirations. Our student services provide wide-ranging support to help you reach your goals.

Quick Facts about SJCC:

- SJCC offers more than 100 Associate Degrees for Transfers, Associate Degrees, and Certificates
- SJCC is the largest provider of training in manufacturing in Santa Clara County and provides workforce training in technology programs around the bay area
- SJCC is a proud recipient of a Federal Department of Education Title V grant, focused on serving Latinx populations

To find out more about San José City College, please visit our website at www.sjcc.edu. We look forward to helping you discover your Jaguar SPOT, which stands for Student Pathway to Opportunity and Transfer.

The SJCC SPOTs are eight areas of study where students have the opportunity to transfer to a four-year university, complete a degree or certificate, gain knowledge and build skills.

We support students in the SPOT they choose with mapped two-year schedules, comprehensive education plans, zero cost textbooks in many courses, zero cost groceries, free tutoring, and a culture of belonging where all students are respected and valued at SJCC.

Congratulations on the first step to your future. Go Jaguars!
