

CERTIFICATION OF GENERAL EDUCATION FOR TRANSFER TO CSU AND UC

CSU GE-Breadth and IGETC certification is the process by which the community college verifies that a student has completed a portion or all of the required lower-division coursework for the CSU GE-Breadth or IGETC pattern. Students who transfer without certification may have to meet the general education (GE) requirements of the receiving campus. Certification is not automatic unless a student is receiving an Associate Degree for Transfer (ADT). Certification must be requested by the student after acceptance to a CSU or UC campus. To obtain GE Certification, please visit Admissions & Records to complete the request form. For more information, you may also see a counselor.
