## Art Gallery

The Art Gallery in the Carmen Castellano Fine Arts Center at San José City College offers a wide variety of exhibitions that are open to the public free of charge. Student works are featured in the latter part of the fall and spring semesters. During the remainder of the year, works by professional artists, SJCC alumni, and SJCC distinguished faculty are featured. Show opening receptions allow members of the SJCC community and the public to meet the artists. Frequently, visiting artists present informal lectures and presentations about their art.

## Athletics

Intercollegiate competition is offered in a number of sports for men and women. These include men's football and golf, women's softball and volleyball, and men's and women's basketball, track and field, and cross-country. SJCC is a member of the Coast Conference, one of the most prestigious community college conferences in America, and has achieved a record of athletic excellence. There are full-time coaches in all sports; coaches take an active role in promoting both athletic and scholastic achievement. A Field Turf artificial football field and a Super X Mondo all-weather track are athletic facilities second to none in America. The fitness complex with modern weight and cardiovascular equipment provides classes and supports the athletics program.

## Media Club

All SJCC students are invited to join the Media Club and get involved with our campus radio station, KJCC.

KJCC can be tuned in online at: [www.kjcclive.com](http://www.kjcclive.com)

KJCC is operated by City College students who are interested in broadcast performance and/or programming. The station provides training for SJCC students interested in hosting a radio program. Students enrolled in broadcasting courses receive hands-on experience in operating the radio console. KJCC airs various programs, including student-hosted music shows, sports commentary, and talk shows, as well as live coverage of Jaguars football, softball and basketball games. The station also serves to disseminate information on college affairs and issues.
